New Luxury Townhouse

Proudly positioned on tree-lined Walpole Street in the heart of Kew, stands Elision. A place where the long-standing prestige of one of Melbourne's most sought after neighborhoods sets the scene for a contemporary lifestyle of premium style. Each of the 14 luxury townhouses in this boutique collection offers a residence which artfully balances wide open spaces with finely crafted details. The challenge of respectfully introducing a modern architectural expression within a noted heritage context has been resolved through simple yet bold forms and a selection of timeless materials. A blend of grey, bronze and timber on the exterior perfectly complements both the natural elements of the surrounding gardens and the colour palette of the streetscape. At the same time, the extensive landscaping has been designed to celebrate the existing greenery of Walpole Street, and provide a natural sense of individuality to each townhouse. A place of serenity. A place of sophistication. At every scale, Elision effortlessly embodies the essence of Kew, where everything naturally comes together.
